Caravan Club Weston Park

This year we were in the grounds of Weston Park. We had 31 vans booked on the Lincolnshire Centre lines.

It was an early get up for us Centre Liaison Officers. Our Centre Liaison Officers for this year were Huw, Alison and Alexander Phillips and Gary, Debbie, Josh, Katie and Abbie Horner. We had vans arriving from about 7:10 am ready for a fun packed weekend. Our flag girls for this year were Lucy Wilson & Felicity Brown.

On Saturday Morning it was another early get up because the under 12's football team were playing all other centres. Our under 12's football team were Joshua H, Jamie A, Joseph W, Alexander P and Matthew W from Dyfed Centre we also didn't know if Joseph was coming or not so thank you Robert & Gillian Whall you are lifesavers!!! But that still meant that we still didn't have a full squad so we teamed up with N&R and we got Jordan, Ben and Jamie. We were waiting for the Fixture draw and it was Lincs v Cheshire we thought we would win but we were wrong they had an excellent line up and we lost 2-0. Our next game was against Mid-Anglia so we thought easy but Mid-Anglia had dropped out so the points were given to us so we won that 5-1 that made us pleased until we saw the last fixture Lincs v South Lancashire we thought they were absolutely rubbish and for once in a lifetime we were right and our keeper Ben made a great save to deny them a goal from the Penalty Spot so we won 2-0. So that was it so we thought but our manager Gary told us we weren't through yet Cheshire still had 1 game left and if they lost then we weren't through but if they won or drew we were through South Lancashire took the lead but we were all buzzing with wonder but 2 seconds from the end Cheshire drew level and that was it we were through.

Sunday Afternoon Semi-Final day we were playing North Wales we knew they had a strong team but about 5 minutes from the end Lincolnshire broke the deadlock and then the referee blew for full time that was it we were through to the Final against Cheshire again! We were struggling who to play in the first team our captain for this who lead the team out was Alexander and we played our socks off. Oh well we lost 1-0 but Gary was really proud of us it's the taking part that counts and I'm sure that your sure that we will hopefully win some at the intercentre's. In the Over 35's Football we were playing Mid-Anglia our team was Huw P Gary H Robert W Gary W Steve G and Ivan C and we had some great chances but there keeper denied all of them and we ... lost 1-0.

In the Mixed Volleyball we had Gary H and Gary and Claire W playing for N&R and Claire went on to play for South Essex ladies. In the Lawn Darts we had Andy, Jo and Ellie Slater and Felicity Brown playing for us and they lost to Cheshire in the Quarter Final. We would like to thank all the competitors for competing and to our Manager Gary Horner for putting the teams together.
